

CEO LUNCH

Have you ever considered having your corporate event at The Brisbane Club? The Brisbane Club can cater for all types of corporate events, seminars, board meetings, AGMs. The dedicated functions team has many years' experience organising functions and making sure your corporate event is a success.

THE BRISBANE CLUB

At the end of last year, MOQdigital, an IT Services Company, invited eighteen CEOs and CIOs from various organisations in Brisbane for a Business Insights Luncheon in the Brisbane Club's "Private Dining Room".

The Brisbane Club's Function Manager, Andrea Montague, worked with the client to plan the event and attended on the day to ensure the event was a success. The Brisbane Club offer a full event management service including seating plans, lectern and audio visual hire and of course a range of function menus and beverage package options, accommodating any specific dietary requirements. The event team coordinated the service of a 3-course meal around a number of presentations from guest speakers and VIPs.

MOQdigital took advantage of The Brisbane Club's registration desk option, where the client is able to position themselves to welcome their guests. On arrival guests were greeted with a welcome beverage and given the opportunity to mingle before being seated. The Brisbane Club coordinated with the client, MOQdigital, on the guest list and when finalised produced name cards and a final seating plan to ensure guests were seated promptly for service.

CLIENT TESTIMONIAL

"We chose The Brisbane Club for this lunch because of its reputation for quality service, excellent food, convenience of location and the dining environment. We were not disappointed. As expected the food was superb, the room was perfectly appointed, set up as specified and the atmosphere was professional and welcoming. I was particularly impressed with the time management of the staff ensuring that lunch was served during the presentations without interruption. I would not hesitate to recommend The Brisbane Club for any high-quality corporate event"
